

FOOD FOR THE SOUL

Prove God! Take Him at His Word and see the results...

Faith releases energy for accomplishment. We are of the opinion that where real faith is present we are aware of it. It is not necessarily just a good feeling but an unwavering confidence that there will be a performance of the very thing that God has promised. We read in Mark 5:29, "She felt in her body that she was healed." However, Abraham walked with God for twenty-five years before he had visible witness of the promise of Isaac, "the son of promise."

Know God's time! Nothing honors God more than for us to have faith to believe Him. To have faith in God is to believe His word. We can read the eleventh chapter of Hebrews where the accounts of the worthies of old are seen and have faith quickened in our own hearts. While moving out in this area we will be enriched in our Christian experiences and glorify our Father in heaven.

These Thoughts challenge my heart beyond expression. How about you? Prove God! Take Him at His word and see the results. "But without faith it is impossible to please Him; for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him." Hebrews 11:6
