

## FOOD FOR THE SOUL

Glenn Hunt, Sr.

*“And now brethren, I commend you to God, and to the Word of His grace, which is able to build you up. and to give you an inheritance among all them which are sanctified.” - Acts 20:31*

The Bible contains the Word of Grace. The commendation is two-fold: (1) It is able to build you up; it keeps us occupied with Christ; we grow out of babyhood into manhood IN Christ. The Word of Grace is the building material - gold, silver, precious stones. (2) The Proper knowledge of the Grace of God will assure us of an inheritance. By it we will learn how to grow, how to live in victory and how to serve the Lord acceptably and effectively. The Lord desires that we learn how to study the Word for ourselves; Paul said to Timothy, “Study the Scriptures.” not something else, but the Word of His Grace, which is able to build you up.

If there was ever a time for this it is today. So often we are led to believe that it is not necessary to be built up, but this is to our loss and even could be for eternity. Let us take the Apostle Paul’s word of instruction to Timothy and ‘soak up’ as much as we can of the precious Word of Truth and we shall reap priceless dividends in eternity.
